

SAMRUDDHI ENTERPRISES

Building Tomorrow's Infrastructure, Today

About Us

Samruddhi Enterprises is a premier construction firm specializing in civil engineering projects for government and semi-government sectors. Established in 2013-2014, our company has built a strong reputation for delivering high-quality infrastructure projects that meet the dynamic needs of urban development. We pride ourselves on our expertise in a variety of civil engineering works, including cement concrete roads, water pipelines, stormwater drains, sewer lines, metro development projects, bridge construction, etc. At Samruddhi Enterprises, every project is a commitment to quality, sustainability, and innovation. With unwavering dedication to timelines and excellence, we've been a cornerstone in redefining urban development.

Company Information:

- **Registered Name:** M/s Samruddhi Enterprises
- **Constitution of Business:** Partnership
- **Year of Incorporation:** 2013-2014

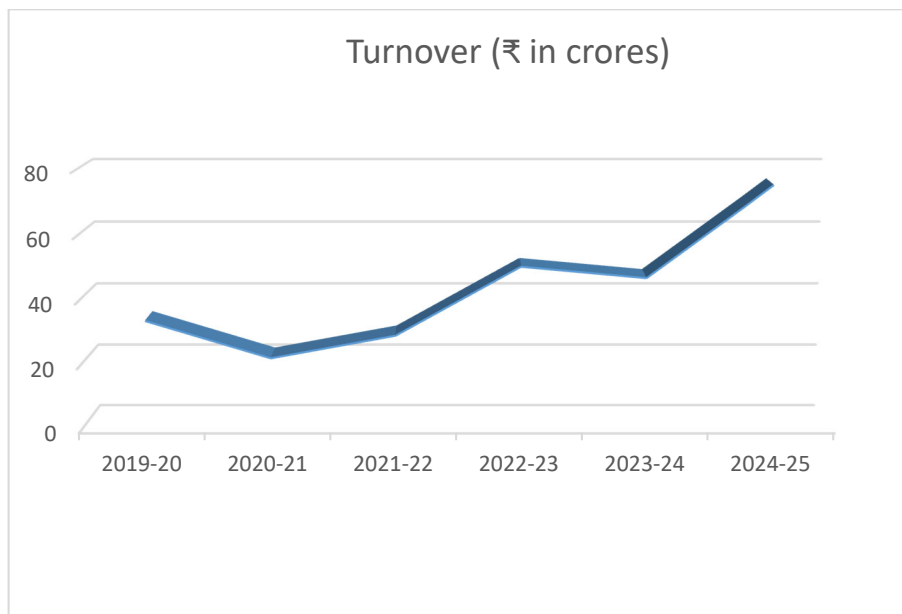

Registration and Licenses:

- **Classifications:**
 - MCGM Class I-A (Unlimited)
 - PWD Unlimited
- **GST No.:** 27ACLFS0381FIZI
- **PAN No.:** ACLFS0381F
- **EPF No.:** THTHA1456948
- **PT No.:** 27901046277P
- **ESIC No.:** 34000320610000606

Our expertise in:

- **Construction of Road:** CC (Cement concrete) road & Asphalt road.
- **Construction of Bridges:** Pedestrian bridges, Vehicular Bridges.
- **Providing & laying :** Water pipelines of any diameter (MS/DI/CI).
- **Construction of drains:** RCC box drains and stormwater drains.
- **Providing & laying sewer lines:** Sewer lines of any diameter using horizontal directional drilling and open-cut methods with German tech MS shoring double side sandwich type.
- **Metro infrastructure projects.**
- **Bridge, Road, Building maintenance works.**
- **Building Repairs works.**
- **Comprehensive Civil Works across all terrains and complexities.**

Annual Turnover:

Financial Year	Turnover (₹ in crores)
2019-20	32.78
2020-21	21.03
2021-22	28.16
2022-23	49.74
2023-24	46.19
2024-25	75.00 (Provisional)

Some of our ongoing works:

Bridge Construction

1. **Vehicular Bridge** – Andheri (MCGM)
2. **Pedestrian Bridge** – Sewree (MCGM)
3. **Two Major Pedestrian Bridge** – Sindhudurg (PWD)

Metro & Transit Infrastructure

4. **Multi-Modal Integration across 5 stations** – Metro Line 6 (MMRDA)

Road Works

5. **Cement Concrete Road** – Mira Bhayander (MMRDA)
6. **Cement Concrete Roads** – Bhiwandi & Alibaug (MMRDA)

Water Supply Infrastructure

7. **Water Main Pipeline** – Borivali (MCGM)
8. **Underground Water Tank & Pipeline Laying** – Gorai (MCGM)

Sewerage & Drainage Works

9. **Sewer Line Project using Jacking Method + German MS Shoring** – Mira Bhayander (MBMC)
10. **Sewer Line using Horizontal Directional Drilling (HDD)** – Kurla (MCGM)

Building Maintenance

11. **Building Repair Works** – Mankhurd (MMRDA)

...and many more ongoing remarkable projects across Maharashtra – only a few are listed here!

Machinery & Equipment:

Samruddhi Enterprises is equipped with advanced machinery and tools to execute projects efficiently and maintain the highest quality standards.

Our equipment includes, but is not limited to, the following:

- Poclain Excavators (2)
- Backhoe excavator / JCB (1)
- Trucks/ Tippers (4)
- Concrete Mixers (3)
- Vibratory Rollers, Pumps, Hoists
- German Technology MS Shoring – Double-Side Sandwich Type
- Sheet Piles, Centering Material, Dewatering Pumps, Screed Vibrators, Concrete Needles

Some of our Completed Projects:

Project	Cost (₹)	Year	Highlights
Linkway Foot Over Bridge	7.7cr	2023	Seamless pedestrian connectivity through innovative design
Multi-Modal Metro Line Integration	30.7cr	2022	Upgraded roadways, drainage, and footpaths across Mumbai
RCC Box Drains, Bandra	10.5cr	2023	Flood-resilient drainage infrastructure
Water Pipeline at Bharat nagar	8cr	2021	Efficient water supply for a rapidly growing region
Superstructure & Watch Tower Fabrication	4cr	2023	Landmark structure symbolizing modern engineering
Construction of DP road to connect BKC to SCLR	8.3cr	2020	Improved connectivity and urban mobility

*Fact: executed 50 plus projects.

Our Experience:

With a rich history of excellence, we have **successfully executed more than 50 projects** across various departments of civil engineering, infrastructure development, and maintenance. These projects showcase our expertise, dedication, and commitment to quality and timely delivery.

Clean Legal Record:

Samruddhi Enterprises takes pride in its ethical business practices and professionalism. We have a clean legal record with **no litigation against our company**. This reflects our commitment to transparency, integrity, and trust in all our dealings.

We believe that a **strong foundation in business ethics is just as important as a strong foundation in concrete.**

Why Samruddhi Enterprises?

- **Proven Reliability:** Over a decade of experience in large-scale infrastructure projects.
- **Unlimited Capabilities:** MCGM Class I-A & PWD Unlimited registrations empower us to tackle projects of any scale.
- **Client-Focused Approach:** We prioritize understanding and meeting client needs.
- **Professional Team:** Highly skilled professionals ensure the highest quality and safety standards.
- **Sustainability-Driven:** We integrate eco-conscious methods in every project.
- **Timely Delivery:** Ensuring projects are completed on schedule, every time.
- **Dynamic Expertise:** From metro integration to stormwater management, we excel in diverse engineering disciplines.

Our Clients & Partnerships

We work exclusively with government and semi-government entities, including **MCGM, MBMC, PWD, MMRDA, Etc.** As a nominated subcontractor for prestigious authorities, we've contributed to projects that enhance Mumbai's infrastructure and living standards.

A Legacy in the Making

There's an old saying in our office:

"When Samruddhi builds it, it stays built."

Our clients don't just hire a contractor—they gain a long-term infrastructure partner. With every bridge we complete, every pipeline we lay, and every road we pave, we move Maharashtra one step closer to a smarter, stronger, and more sustainable future.
